**Proposed Use**

Explain what you want to do with the property. (Do you want to build a building, subdivide a lot, have a business, ...).

Explain why you need the Zoning Board to let you do it. (The building will be too close to the lot line; the Planning Board wouldn't approve your subdivision; your lot is in a zoning district where businesses aren't allowed; ...).

**Be specific.** Identify the section or sections of the Zoning Ordinance that apply. If lot sizes or configurations or building placements are relevant, provide a scale drawing or plan showing all relevant information, such as lot lines, setbacks, present and proposed structures on your lot and neighboring lots, etc.

Description of proposed use and need for ZBA approval (use this page; attach additional pages as necessary):

I am a MA licensed teacher who would like to run a small family daycare in my home at 22 Peirce Ln. The lot is zoned as Residential/Agricultural and for that reason we will be applying for a special exception.

5.3.1

There will be no structural changes made to the building or driveway/parking.

The only exterior change would be the addition of a sand box area for play.

**Application for a Special Exception**

A Special Exception is a use which is permitted by the Zoning Ordinance, but requires approval from the Zoning Board. Most special exceptions have a list of requirements; the Zoning Board can only approve the special exception if it finds that all the requirements are satisfied.

**Note that in addition to the specific requirements that may be listed for a particular special exception, all special exceptions are subject to the general requirements in Section 4.4 of the Zoning Ordinance.**

What section of the Zoning Ordinance defines the Special Exception that you are applying for? 5.3.1

Explain why your proposed use satisfies the requirements of the Zoning Ordinance: \_\_\_\_\_

- (A) The home occupation (daycare) will be incidental and secondary to the use of the dwelling unit as a residence.
- (B) Home occupation will be carried on by the resident owner.
- (C) Two non-family employees are permitted.
- (D) No additions or changes will be made to the residence that would make it impractical to revert the building back to purely residential use.
- (E) Exterior storage of materials or equipment is prohibited. (We will be using existing play equipment primarily - with sand being added for a fall zone.)
- (F) Sufficient off-street parking is available.
- (G) Traffic generated would be minimal. (4-6 cars daily Mon-Fri) at most
- (H) ~~Home~~ Daycare will be conducted in accordance to town + State laws + licensing requirements. (Hence this application
- (I) When a business outgrows the standards established for home occupation - it must relocate into a commercial or industrial district.
