

# Town of Wilton, NH Zoning Board of Adjustment

## Notice of Decision

On June 9, 2026, the Zoning Board of Adjustment granted a request by Faby Gagné and Luc Sirois for a special exception under section 6.6.1 of the Wilton Zoning Ordinance to allow fiber arts workshops as a home occupation on Lot A-30, 325 Burton Highway.

On July 8, 2026, Abutter Kenton Blagbrough, Lot A-22, submitted a request through Attorney Timothy E. Britain that the Zoning Board hold a rehearing of this special exception.

The Zoning Board has denied the request for a rehearing, because the request for a rehearing did not offer any significant new arguments that had not been considered by the Board when granting the special exception.

This decision was made on a motion to deny the request, by a vote of five in favor, none opposed, at the Tuesday, July 14, 2026 meeting of the Zoning Board.

This decision may be appealed either to the superior court, as provided by N.H. RSA 677:4, or, alternatively, to the New Hampshire Housing Appeals Board, as provided by N.H. RSA 679:5 and N.H. RSA 679:6.

Sincerely,

Joanna Eckstrom, Acting  
Chairperson  
Wilton ZBA
